

A pixelated, black and white graphic of the text "IN 1920, IN". The text is rendered in a stylized, blocky font with a dithered or pixelated appearance, giving it a retro, digital feel. The letters are composed of various shades of gray and black pixels. The "1920" is notably larger and more prominent than the "IN"s. The overall style is reminiscent of early computer graphics or digital art from the late 20th century.
